Dear Anita,

Thank you for allowing Jack's exhibit "The Chagall Window" to be presented in the Court of Honor at SANDICAL 2007 for the annual convention of the United Nations Philatelists. I am grateful that we had one more chance to see this beautiful exhibit. Jack would have been very pleased to see the excellent job that Fran Adams did in expanding the exhibit to 7 frames.

It was my honor to receive the enclosed Prix d'Honneur presented to Jack's exhibit at the palmares dinner on Saturday night. I was quite touched to see that the SANDICAL committee had chosen to honor Jack by including an image of the United Nations souvenir sheet of the Chagall Window in the design of the awards presented to multi-frame exhibits. The plaque that I received for my exhibit will be proudly displayed on the wall in my stamp den.

At the Board of Directors meeting of the UNPI we made plans for an improved and expanded website for the organization. A highlight of the revised site will be a section featuring outstanding UN exhibits. With your permission, I hope that we may add Jack's "The Chagall Window" to that site.

Thank you, once again, for your continued support of the club that Jack helped found and to the hobby that he loved and to which he contributed so much.

Warmest Regards,

Anthony F. Dewey  
President, UNPI
